

WESTMINSTER KENNEL CLUB NEWS FLASH

The Westminster Kennel Club announces that the original paintings, the creations of world-renowned artist Misha Lenn and used as commemorative posters for its 2019-2021 shows, will be given to Take The Lead.

Take The Lead's initial plan is to raffle the original 2019 show artwork. Raffle tickets will be sold throughout the year at the Take The Lead booth at major dogs shows and events with the winner drawn and announced February 11, 2020 during Westminster Week. Proceeds from the raffle will support the organization in its dedicated efforts to provide direct services, support and care for people in the sport of purebred dogs who suffer the devastation of life-threatening or terminal illness or are affected by natural disasters.
